

HEAR UPDATES ABOUT THE PROPOSED NORTHERN REGIONAL RECREATION CENTER AT PUBLIC INFORMATION SESSION JULY 24

Mecklenburg County is planning a new regional recreation center in north Mecklenburg, and wants to share updates on progress for the project.

On July 24 from 6:30 p.m. to 8:00 p.m., the County's Park and Recreation Department, along with the parks departments from the towns of Cornelius, Davidson and Huntersville, will host a public information session at Bailey Middle School, 11900 Bailey Road in Cornelius, to discuss the planning process for the Northern Regional Recreational Center. The facility will be located at 18121 Old Statesville Road in Cornelius.

Residents are invited to attend the meeting to learn about the results from the public surveys and the ongoing planning and design for the recreation center. A project overview and presentation will be made in the school cafeteria by the design team at 6:30 p.m. with an open forum for comments to follow.

The Northern Regional Recreation Center is the second of four proposed regional recreation centers throughout the County. Last year, Mecklenburg County Park and Recreation began the planning process for the [Eastway Regional Recreation Center](#) at Eastway Park.
